An older style three double bedroom semi-detached family home, located in the forever popular Hollingbury district of Brighton, which enjoys an elevated position with the most wonderful widespread countryside views towards the South Downs. The property, in our opinion, is in good order throughout and has been a lovely family home for our vendors for the last thirty years, and as the kids have now flown the nest it's time to downsize. Internally, the property comprises a handy entrance porch to kick off those muddy boots and hang your coat in the spacious entrance hallway. Both living and dining rooms have been combined to create a generous space which admires the rear garden and enjoys a cosy open working fireplace. The kitchen/breakfast room has all you could need with the utility area cleverly tucked around a corner. To the first floor there are three comfortable double bedrooms alongside a well-appointed family bathroom. Externally, the property benefits from an off-road parking space and generous lawned gardens to front and rear - the latter having an insulated summer house and outside stores. Great location for families, close to good local schools, supermarket and retail outlets including Marks & Spencer. Easy access to A27 and A23.
