A deceptively spacious two double bedroom, ground floor, purpose-built and refurbished flat which ticks the all important boxes - 50% Share of Freehold, long lease, private entrance and private South-facing rear garden! Internally, the well-proportioned accommodation is considered to be in excellent decorative order throughout, including a dual aspect open-plan lounge/dining/kitchen area which is a rare find within this type of property and location. This charming property, which enjoys a great sense of natural daylight, is conveniently positioned to the lower end of Milner Road for ease of access to a local parade of shops and a popular supermarket, as well as regular bus services and bicycle lane into town and out to the universities.
