Ground Floor Flat 18 Buckingham Street Brighton, BN1 3LT

A delightful West-facing period conversion which occupies the entire raised ground floor of an imposing end-of-terrace Victorian townhouse, enviably located in the sought-after West Hill Conservation Area only moments from Brighton Mainline Station. In our opinion the property is presented in good order throughout and offers a wonderfully stylish, natural light-filled lifestyle purchase for a first time buyer seeking a super central location amongst all the action yet positioned on a surprisingly quiet street. The property offers a bay-fronted lounge-dining room with tall corniced ceiling, a comfortably sized double bedroom, again with tall ceilings and large sash window which connects to an en-suite shower room, a well-fitted kitchen with integrated appliances and a separate toilet. Ideally positioned for easy access to the forever popular and vibrant North Laine and Seven Dials districts and the huge variety of independent cafes, bars, restaurants and shopping facilities they have to offer.
