### \*\*\* NO ONWARD CHAIN \*\*\*

Formerly a Greengrocer's, this deceptively spacious end-of-terrace period property has been home to our creative vendors for the last 30 years. They have lovingly renovated the property over the years and it now offers beautifully appointed and flexible accommodation with stylish interior detailing and bespoke finishes, nodding gently towards the mid-century trend. Thoughtfully arranged accommodation includes a large kitchen/dining room with handmade kitchen finished with a wonderfully vibrant sunset orange Formica and which enjoys a generous amount of natural daylight from its extensive wrap-around windows. A cosy lounge with wood burner connects to the landscaped West-facing rear garden and to the inner hall which doubles up as a handy utility area. Alongside the two comfortably sized double bedrooms to the first floor, there is a study which connects to a reading snug and then onto a boarded loft space beyond. A stunning family bathroom has been cleverly designed to conceal the walk-in shower and toilet behind feature curved walls. This interesting property has also offered our vendor an income from a self-contained Annexe which comprises a bedroom connecting to a courtyard alongside a breakfast room and access to a shower room. A stylish insulated garden studio offers a multitude of functions and enjoys its own covered seating area.
