A HOME TO SUIT YOU

Offering an impressive 1,690 sq. ft. of beautiful accommodation, this substantial four double bedroom blends space, style and modern practicality. Thoughtful contemporary family living, it delivers generous proportions, finishes and a seamless connection between indoors and outdoors.

At the heart of the home is the expansive kitchen and family room, a bright and airy filled social space designed for both everyday life and entertaining. Bi-fold doors open directly onto the rear garden, drawing in natural light and creating a wonderful indoor-outdoor flow. The kitchen is fitted with a stylish Symphony range complemented by sleek square-edge worktops and a full suite of integrated appliances, including a Bosch double oven, Bosch induction hob, NEFF canopy extractor and Bosch low-frost fridge freezer. A separate utility room with side access keeps the main space clutter-free and practical.

The living room is enhanced by a feature bay window, adding character and further natural light, while the dining area also enjoys bi-fold doors onto the garden — ideal for summer gatherings and relaxed family meals.

Upstairs, four generous double bedrooms provide flexible accommodation for growing families or those working from home. The principal suite is a true retreat, complete with a spacious dressing area and a beautifully appointed en suite. Bedroom two also benefits from its own en suite, offering additional comfort and privacy. The family bathroom and en suites are finished to a high specification, featuring Roca sanitaryware, Bristan fittings, Porcelanosa tiling, heated towel radiators and shaver sockets for added convenience.

Externally, the property enjoys views over green open space, two parking spaces, and an integral single garage

— offering both ease and security. Modern efficiencies such as solar (PV) panels, EV charging capability and an Ideal boiler enhance sustainability, while a 10-year NHBC warranty provides complete peace of mind.

A spacious and thoughtfully crafted home, designed to offer comfort, quality and contemporary living in equal measure.
