

BURTON HALL, HALL DRIVE, BURTON-ON-THE-WOLDS

OFFERS OVER £ 189,950

Rezide Estate Agents is delighted to present Burton Hall, a truly remarkable property steeped in history and character. Originally built in 1760 as a grand family home, this impressive residence has since been sensitively converted into a selection of luxury apartments and homes. We are thrilled to offer a rare opportunity to purchase a two-bedroom top-floor apartment within this stunning building. The apartment features two spacious double bedrooms and two stylish shower rooms, including one en-suite. The bright and airy open-plan living kitchen blends contemporary comfort with period charm. A welcoming private entrance hall adds character, and the property benefits from access to beautifully kept formal gardens, along with two allocated parking spaces and a secure private storage unit in the cellar.

Tucked away at the top of Hall Drive, a quiet private road lined with premium residences, Burton Hall enjoys a peaceful and prestigious setting. On arrival, the well-maintained surroundings and designated parking spaces for residents and visitors immediately set the tone.

Inside, the grand communal entrance hall offers a glimpse into the building's elegant past. As you ascend to the top floor, you'll enter the apartment's private hallway, complete with carpeted floors, a quirky archway, and a warm, inviting atmosphere. The open-plan living kitchen features wood-effect units, granite-style worktops, tiled splashbacks, an electric oven and hob, integrated appliances including a dishwasher and freezer, and LED lighting. The living and dining area is generous in size, with original sash windows overlooking the trees at the front of the property, a striking period fireplace, tasteful décor, and ample space for both lounging and dining.

The first bedroom is a spacious double with dual-aspect windows, another charming fireplace, and an en-suite shower room finished with tiled walls and floors, a corner shower cubicle, WC, and pedestal basin. The second bedroom is also a generous double, offering built-in wardrobes, a dressing table area, original features, and soft neutral finishes. Off the hallway, the main shower room includes a modern corner shower, WC, and floating basin, all finished to a high standard.

Outside, the apartment enjoys access to a secure, lockable storage unit within the cellar —perfect for bikes, seasonal items, or general storage. The south-facing formal gardens are an exceptional feature of the property, beautifully maintained and framed by neatly trimmed hedges, offering panoramic views of the surrounding countryside. There's also a private shed for each apartment, providing further convenience.

This is a rare chance to own a unique piece of history, blending classic architecture with modern living in a truly special setting.
