Occupying an impressive and substantial corner plot within the highly desirable area of Eccleston, this stunning three-bedroom detached bungalow on Laurel Drive presents a rare opportunity for buyers seeking spacious single-storey living with exceptional future potential. Offered with no onward chain, the property is ideal for those looking to move swiftly while securing a home with scope to further enhance or extend (subject to the necessary consents).

Boasting superb kerb appeal, the bungalow is garden-fronted with a well-maintained frontage, driveway parking for multiple vehicles and access to a garage, providing both practicality and excellent first impressions.

Internally, the accommodation is well proportioned and thoughtfully laid out. A long and welcoming entrance hallway provides access to a generously sized front double bedroom and a spacious front living room, both enjoying excellent natural light. The property features a modern fitted kitchen which flows through to a separate utility room, offering additional storage and functionality. A beautifully appointed contemporary family bathroom serves the home, finished with stylish fittings.

There are two further well-sized bedrooms to the rear, offering versatility to suit a range of needs — whether as additional bedrooms, a home office, or even a secondary reception room.

Externally, the property truly excels. The generous rear garden wraps around the bungalow due to its enviable corner position, creating expansive outdoor space with multiple seating areas perfect for enjoying the summer months. The plot itself offers significant potential to extend outwards or convert the loft space, subject to planning permission, making this an exciting long-term investment.
