Located on the highly sought-after Ash Grove, Rainford, this substantial detached bungalow offers exceptional space, privacy and flexibility including a self-contained first-floor annexe ideal for multi-generational living.

Approached via a sweeping paved driveway providing off-road parking for multiple vehicles, the property is discreetly screened by mature hedging which creates an immediate sense of privacy. A detached garage further enhances the practicality of the frontage.

Internally, the ground floor accommodation begins with an entrance porch leading into a spacious central hallway. To the front sits a generous living room, while the heart of the home is a modern kitchen diner fitted with quality worktops and integrated appliances, providing an excellent space for both everyday living and entertaining.

There are four well-proportioned double bedrooms on the ground floor, served by a contemporary shower room and a four-piece family bathroom. To the rear, a dining room connects through to a useful utility room, adding further practicality to the layout.

A standout feature of this property is the self-contained first floor annexe, thoughtfully designed to function as an independent living space. This level offers its own kitchen and dining area, two reception rooms, a double bedroom with en-suite facility, and a separate office/study, making it ideal for multi-generational living, dependent relatives or long-term guest accommodation.

Externally, the rear garden provides a large and private outdoor setting, bordered by mature hedging. Two separate flagged patio areas offer ideal spaces for outdoor dining and entertaining, while a generous lawned area completes this impressive garden.
