Royal Parade, Eastbourne BN22 7AQ

A substantial Victorian seafront property with a huge amount of internal space, located directly opposite Eastbourne's popular promenade.

This partially converted semi-detached building offers a rare and exciting opportunity for developers, investors or those seeking a high-potential project in a prime coastal setting.

Currently arranged over four floors including basement and attic, the property has been partially converted into several self-contained studio units, with elements of the internal configuration already in place—providing a head start for full conversion or redevelopment (subject to planning).

Boasting stunning period features including grand bay windows, original cornicing, and decorative iron balconies, the property combines traditional charm with huge scope for transformation.

A number of units already benefit from fitted kitchens and bathrooms, and there is potential to create luxury apartments, a boutique guesthouse or short-let accommodation.

The rear of the property offers off-road parking—a rare advantage on Royal Parade—and a private courtyard area with development potential for outdoor space or garden units. There is also off road parking for three cars available to the rear of the property.

Please note the property is being sold CHAIN FREE!
