SUMMARY

Originally built between 1880 and 1890 in the distinctive Queen Anne Revival style, these beautifully restored Victorian buildings combine period charm with contemporary living. Beautifully finished and ready to move into, Chalk House offers an appealing blend of character, style and coastal living.

This spacious two-bedroom apartment is situated at the rear of the building, enjoying charming views across the rooftops and beautifully maintained communal garden. The open-plan lounge/dining room provides a welcoming space to relax and entertain, with a large built-in storage cupboard and further storage in the entrance hallway.

The beautifully appointed Kreider shaker-style kitchen features quartz worktops, a matching splashback, fully integrated Bosch appliances and soft-close doors, creating a stylish, high-quality finish.

The spacious entrance hallway leads to the bathroom, featuring distinctive striped tiles inspired by the traditional swimsuits worn by Victorian bathers at nearby St Mildred's Bay, reflecting the area's rich seaside heritage.

The main bedroom benefits from fitted wardrobes and a Juliet balcony, allowing natural light into the room. Bedroom two features a Velux roof window, creating a bright and versatile space. Attractive herringbone flooring runs throughout the apartment, adding a stylish and cohesive finish.

Residents benefit from a parking permit within the development, four electric vehicle charging points, secure bicycle storage, a beautifully designed communal garden with an outdoor kitchen, and a residents' gym with 24-hour access. Further free parking is available along Sea Road.

Combining Victorian elegance, contemporary interiors, charming rooftop and garden views, practical storage and excellent modern facilities, this attractive apartment offers a wonderful opportunity to enjoy stylish seaside living in the heart of Westgate-on-Sea.
