Set within the highly regarded Longview area of Heathfield, this extended three-bedroom semi-detached home offers generous proportions and exciting potential for further development.

Positioned back from the road, the property enjoys a front garden that could be reconfigured to provide additional off-road parking, subject to the necessary consents. The interior opens with an inviting hallway leading into a bright and comfortable lounge featuring a focal fireplace. From here, the layout continues into a separate dining room, which connects effortlessly with the kitchen. The kitchen in turn opens into a conservatory, creating a natural flow of space that works particularly well for both everyday living and entertaining.

On the first floor, there are two spacious double bedrooms, a well-sized single room, and a family bathroom, all arranged to maximise practicality and comfort.

Outside, the rear garden offers a pleasant combination of patio and lawn, enclosed by established hedging for added privacy. A gate at the rear provides access to a yard with ample parking and an outbuilding, with further potential to extend the garden space if required. The property also benefits from a garage situated nearby in a block.

Offering a flexible layout, ample space, and clear scope for improvement, this home presents an excellent opportunity to tailor a property to suit modern family needs in a desirable setting.
