Rocks Park Road, Uckfield, TN22 2AX

A beautifully updated three-bedroom detached family home, finished to an exceptional modern standard and offering approved planning permission (WD/2023/1501/F) for a two-storey rear extension, enclosed front porch and extended driveway — creating exciting scope for future growth.

The ground floor welcomes you with a spacious entrance hall and convenient cloakroom, leading through to a sleek, contemporary kitchen fitted with high-quality integrated appliances, generous worktop space, breakfast bar seating and excellent storage — all impeccably presented.

The dual-aspect lounge is both stylish and inviting, centred around a striking marble and oak fireplace, with double doors opening into a dining room that enjoys delightful garden views and direct access to the patio — perfect for seamless indoor-outdoor living.

Upstairs, three well-proportioned bedrooms continue the home's polished feel. The principal bedroom benefits from bespoke modular fitted wardrobes and additional built-in storage, complemented by newly fitted carpet. Bedroom two is a generous double with bespoke fitted storage, new flooring and fitted blinds. The third bedroom is versatile and well-sized, currently arranged as a home office with ample power points, built-in cupboard and new carpet.

The family bathroom is finished to a high standard, featuring a P-shaped bath with waterfall taps, rainfall shower and separate handheld attachment, alongside a contemporary chrome towel rail.

Outside, the west-facing garden is a true highlight — private, beautifully maintained and thoughtfully landscaped to capture the sun throughout the day. A spacious patio adjoins the house, while a handcrafted pergola (2022) creates an additional seating area at the top of the garden. Raised beds, established flower borders, mature shrubs and fruiting pear, peach and blackcurrant plants add colour and character, alongside a rockery, pond, greenhouse and shed.
