A beautifully appointed one-bedroom apartment on the fifth floor of the brand-new Station Plaza development, right in the heart of Hastings. With Hastings Train Station on the doorstep, the seafront just a six-minute walk away and Alexandra Park a ten-minute stroll, this home offers the perfect blend of convenience and coastal living.

The apartment has been thoughtfully designed to maximise both light and space. The open-plan living area includes a modern fitted kitchen with fridge freezer, washer dryer, integrated oven and hob. From the living space, double doors lead onto a private balcony, ideal for enjoying your morning coffee or relaxing after a busy day while taking in the elevated outlook. The double bedroom is well proportioned, and the stylish bathroom features a shower over the bath. Modern electric heating and a secure entry intercom system complete the specification.

Station Plaza has been designed with residents' lifestyles in mind. The development is pet-friendly and includes digital on-site parcel lockers to ensure deliveries are safe and convenient. Security and peace of mind are a priority with secure gated entry, and a private underground car park where each flat can benefit from an allocated space for just £25 per month, in addition to secure bike storage.

Residents will also enjoy access to a range of exclusive on-site amenities, including a 24/7 gym, a cinema room and a welcoming communal lounge that will help create a sense of community.
