SUMMARY

Located in the popular Sovereign Harbour area of Eastbourne, this impressive five-bedroom townhouse offers spacious and versatile accommodation arranged across four floors, backing directly onto the attractive water feature.

The converted garage provides a fourth bedroom and separate utility room, with a shower room conveniently positioned alongside. Together with the bright ground-floor sitting room overlooking the garden leading out directly to the water feature, this creates an excellent setup for one-level living, multigenerational households or a more independent space for an older child or relative.

The first floor features a generous lounge/diner, a separate kitchen/breakfast room and an additional WC. On the second floor are two well-proportioned double bedrooms, a family bathroom and useful fitted storage.

The top floor is home to the impressive master suite. The spacious bedroom opens onto a private balcony with partial sea views, creating a wonderful place to sit and enjoy the surroundings. A separate dressing room provides excellent storage, while the large en-suite completes this superb private retreat. A further fifth bedroom is also situated on this floor.
