The property is entered through a modern composite front door, leading into a spacious entrance hallway with a staircase to the first floor. There is also a useful storage cupboard under the stairs.

To the right the living room is at the front of the property and features an Inglenook-style fireplace with a wooden mantle. A walk-in bay window looks out to the front and has recently fitted blinds.

To the rear, there is a modern kitchen that opens into a large garden room extension. This space is used as a dining and sitting area and has French doors that lead to the private rear garden. The kitchen includes a mix of high gloss and shaker-style wall and base units with wood-effect composite worktops. It also has a range-style cooker with gas hob and extractor fan, a sink with mixer tap, and wood-effect vinyl flooring that continues into the garden room.

The open-plan garden room provides plenty of space for dining or relaxing, with large windows and French doors giving access to the garden. Off the kitchen is a separate utility room, which leads to a ground floor WC.

Upstairs, the landing gives access to three bedrooms. The main bedroom is a double with a bay window to the front. The second bedroom is also a double, overlooking the rear garden, and includes loft access via a ladder. The loft is boarded and has lighting and power, making it ideal for storage. The third bedroom is a single room to the front. New blinds have been fitted in the main and third bedrooms.

The family bathroom is fitted with a three-piece suite including a bath with overhead shower, wash hand basin, and WC. There is also a heated towel rail and built-in storage.

Outside, the front of the property has a paved driveway providing off-street parking and access to a single attached garage with an electric up-and-over door. The rear garden is low-maintenance, with artificial grass, a patio with built-in seating, and a custom outdoor kitchen that includes a pizza oven, gas BBQ, and grill. Power sockets and lighting are fitted at both the front and rear of the property.
