Upon entering the property, you are welcomed by a porch leading into a bright and spacious hallway, featuring a beautiful stained glass doorway. The hallway benefits from wooden flooring and a staircase rising to the first floor, with an under-stairs cupboard providing useful storage.

To the left of the hallway is a generously proportioned lounge, complete with a large bay window that floods the room with natural light and a striking feature fireplace with a marble surround.

Towards the rear of the hallway is a convenient ground-floor WC. At the back of the property, you'll find an impressive open-plan kitchen, dining, and living space, an ideal setting for modern family life and entertaining. This area has been thoughtfully extended and opened up by the current owners to create a truly multi functional space.

The kitchen is of high quality with stone counter tops, featuring a breakfast bar, integrated appliances including an induction hob with extractor fan, there are also two Zanussi ovens. There is space for a dishwasher. The layout has been carefully designed, with spot lighting positioned in a way that would allow future owners to easily divide the space into two separate rooms, if desired. The dedicated dining area offers French doors leading out to the rear garden, while the living area provides ample space for sofas and includes an additional set of French doors, further enhancing the connection to the outdoor space.

A door from the kitchen leads into the garage, which houses utility appliances and offers plenty of additional storage. There is also a secondary external door providing side access.

Upstairs, the first floor comprises four well-proportioned double bedrooms. The principal bedroom features fitted wardrobes and a reconfigured, stylish en-suite shower room with a modern suite, including a WC, wash basin, partially tiled walls, and a heated towel rail.

The remaining bedrooms are all of a good size and are served by a contemporary family bathroom, which includes a bath with overhead shower, vanity unit with wash hand basin, WC, partially tiled walls, and a heated towel rail.

Externally, the front of the property boasts a well-maintained lawn and driveway offering ample off-road parking. The driveway leads to a double garage with up and over doors.

The rear garden rises gently away from the house and has been landscaped to create an attractive outdoor space, mainly laid to lawn with well-established shrubs and planting. From the top of the garden, the property enjoys outstanding views across the Tyne Valley — a standout feature and one of its most compelling selling points.
