Situated in the highly sought-after West End of Hexham, this exceptionally spacious three double bedroom maisonette enjoys an elevated position with stunning views over the Tyne Valley.

The property is ideally located within walking distance of a wide range of local amenities, including the town centre, supermarkets, cafés, and leisure facilities. It also falls within the catchment area for several well-regarded schools, such as Hexham First School, Sele First School, and the highly acclaimed Queen Elizabeth High School, making it an excellent choice for families.

Transport links are also a major advantage, with Hexham railway station just a short walk away, offering regular direct services to Newcastle and Carlisle. There are also excellent road connections via the A69, making commuting across the region both convenient and efficient.

In recent years, the property has undergone a full refurbishment and modernisation, resulting in a beautifully presented, move-in-ready home with contemporary finishes throughout.
