The internal accommodation comprises: A porch with a front aspect window, composite door, tiled flooring, and glazed doors opening to a hallway with wood-effect flooring and a spacious storage cupboard.

To the left is a generous lounge with a square front aspect bay window, side window, and feature multi-fuel stove with a wood-effect mantelpiece. The lounge opens to a good-sized dining room with a rear aspect window. Double doors from the dining room lead to a family room with French doors to the side garden, a front aspect window, and an exposed stone wall.

Off the dining room is a modern fitted kitchen with integral appliances, wood-effect tiled flooring, while skylights make this a light and airy space. Adjacent is a useful utility room with matching units, plumbing for a washing machine, and space for a freestanding fridge. The rear conservatory incorporates an 18th-century red-brick wall from the neighbouring Ulgham Hall, an exposed stone wall, full glass roof, tiled flooring, and French doors to both ends of the garden.

The hallway leads to three well-proportioned bedrooms. The master includes built-in storage, a dressing area, and a modern ensuite. A family shower room serves the remaining two rooms. Both shower rooms feature walk-in shower cubicles, WCs, and washbasins.

Externally, the wraparound gardens include established trees and shrubs offering a good degree of privacy. A large driveway accommodates at least four vehicles and access to the garage.

This is an ideal purchase for a variety of buyers looking for a unique home in a popular Northumberland village approximately 5 miles from Morpeth town and the coast.
