This impressive four-bedroom home has been thoughtfully designed to suit modern family living, with generous proportions and a strong focus on open-plan space. The heart of the property is the expansive kitchen/dining/family room, offering a versatile layout ideal for both everyday living and entertaining. A peninsula breakfast bar provides seating for three, complemented by ample space for a six-seater dining table and a relaxed seating area with a media wall.

To the rear, French doors open directly onto the patio and garden, allowing natural light to flood the room throughout the day and creating a seamless connection between indoor and outdoor living. This flexible space works equally well for family gatherings or quiet evenings at home.

The ground floor is further enhanced by a separate utility room, providing valuable additional storage and practicality, helping to keep the main living areas clutter-free and organised.
