The internal accommodation comprises: A vestibule with tiled flooring which leads to an entrance hall off which one finds a ground floor guest WC and the staircase which provides access to the first floor.

To the rear of the property on the ground floor is a wonderful, open-plan, living, dining and kitchen space, with solid wood herringbone flooring. Large bi-folding doors open onto the rear terrace and landscaped gardens beyond.

The kitchen offers modern bespoke cabinetry with stone worktops, integrated appliances and a central island with breakfast bar and wine cooler.

The staircase from the ground floor provides access to the first floor landing and study area which in turn provides access to two large double bedrooms and an excellent contemporary bathroom inclusive of “his and hers” sinks.

Bedroom one is a great double bedroom which benefits from extensive fitted wardrobes and a south-west facing window overlooking the mature rear gardens below. Bedroom two also enjoys a south-westerly aspect with plantation shutters and similarly impressive garden views.

The first-floor staircase encompasses useful fitted storage and leads to the extended second floor where the third and fourth bedrooms can be found – both of which enjoy views over the gardens below.

Externally, the property offers a large block paved driveway providing off-street parking for two vehicles and access to a substantial garage space with integrated appliances.

There is also a front garden, landscaped during the course of the renovation, with gated access to the rear.

The delightful, south-west facing rear gardens are a main feature of this property and are extremely private. The rear gardens are laid mostly to lawn, with an abundance of well stocked borders and fenced boundaries. Privacy is provided by mature trees, hedging and shrubbery. A large timber terrace provides an ideal space for entertaining.

Wonderfully presented both internally and externally, this outstanding semi-detached family home demands early inspection.
