## DESCRIPTION

This impressive, three storey, Georgian style detached house was built in 2000 by David Wilson Homes of brick under a tiled roof and is approached over a shared block paved drive and flagged path. The house has been heavily invested in both internally and externally by the present owners in recent years. It has been a much loved family home, with practicality and style combining to make this a house that caters for families at various different stages. The house is well balanced, with two reception rooms at ground floor level complimenting the elegant reception hall and refitted kitchen/dining/family room overlooking the garden.

The gardens have been expertly landscaped and enjoy surprisingly high levels of privacy and maturity. There is plenty of elbow room to the front and sides with parking space for up to six cars.

#### LOCATION & AMENITIES

21 Chater Drive is located on the Southern confines of Nantwich, about one mile from the town centre. The property is not only within walking distance of the town centre, but also within a short walk of a family friendly pub, local co-operative store and other shops. A high demand for properties in the area is mainly due to the excellent schools, both primary and secondary being close by. The house lies in the catchment area for Brine Leas High Academy/BL6 Sixth Form College.

The house benefits from a convenient setting in a highly favoured residential position close to Nantwich town centre, Shrewbridge Lake and the River Weaver. Nantwich is a charming and historic market town in South Cheshire countryside providing a wealth of period buildings, 14th Century church, cobbled streets, independent boutique shops, cafes, bars and restaurants, historic market hall, superb sporting and leisure facilities with an outdoor salt water pool, riverside walks, and nearby canal network.
