DESCRIPTION

Orchard View is a spacious semi detached house, constructed of brick under a tiled roof and approached over a tarmacadam drive. The house, with its immediate neighbour, form part of the Delves Broughton Doddington Estate and was probably built in the late 1970's. It was cleverly enlarged in the 1990's and extends to about 2,100 square feet (gross internal).

Internally this house has been well maintained and offers really spacious and versatile accommodation, ideal for family life. With four bedrooms, two bathrooms, a dining kitchen and three reception rooms plus the study, the flexibility is impressive.

The huge bonus with this property are the large formal gardens and fenced paddock. The paddock makes the house ideal for those with a pony or livestock interests.
