WILSON**

DESCRIPTION

A unique and compelling detached residence, constructed of brick with part rendered elevations under a tiled roof and approached over a tarmacadam drive to a large car parking and turning area. On entering Shenstone, the scale of the dwelling becomes apparent, with the internal size measuring about 2,400 square feet. The plot is also a major feature, being circa. 0.41 of an acre and incorporating a large detached garage block, plenty of car parking space and well nurtured gardens.

Internally this is a predominately single storey property that is flexible, adaptable and light. There is enormous scope for the new owner to adapt and further advance to suit individual requirements. Because of the size of the gardens and superb location any improvements would, in our opinion, be well worth while.

LOCATION & AMENITIES

Shenstone occupies a tranquil setting, adjacent to Buerton Old House, in a scenic part of South Cheshire. Buerton is a rural hamlet and the property overlooks a small playing field with open countryside to the rear. Audlem is a most attractive country village, the centre of which is designated as a conservation area, well known for its church, which dates back to 1279. Audlem has a medical practice, chemist, primary school, playgroup, three public houses, cafe and a range of shops. The nearby market towns of Nantwich and Whitchurch are 8 and 11 miles respectively, offering a more comprehensive range of services with high street banks, supermarkets and out of town retail parks.

Audlem village offers a state primary school (Ofsted good) and is in the catchment area of Brine Leas Secondary School/BL6 Sixth Form (Ofsted good) in Nantwich. On the recreational front, there are football, cricket and tennis clubs within the village and several golf courses locally including Hill Valley in Whitchurch, Wychwood Park beyond Crewe and Market Drayton Golf Club. There is extensive walking locally along the Shropshire Union Canal which passes

through Audlem.

Despite its rural location, Shenstone is a extremely accessible being approximately 11 miles from junction 16 of the M6 motorway permitting daily travel to Manchester, Liverpool, The Potteries and Birmingham. For international travel, Manchester and Birmingham Airports are 42 and 62 miles respectively. Travel to London is available via Crewe which is 12 miles from which there is a 90 minute service to London Euston.

DIRECTIONS

From Nantwich, take the A529 into Audlem. At the T junction by the church, turn left onto the A525. After 1.7 miles the entrance to Shenstone will be seen on the left hand side, immediately after the entrance to Buerton Old House.
