WILSON**

## DESCRIPTION

Clougha, built in 1910 by William Horace Clews of brick with part pebble dash and tile hung elevations beneath a tiled roof is approached over a flagged drive to a car parking area. As one would expect of a house of this age and history, there are a multitude of terrific period characteristics to be found inside which include doors with door plates and stain glassed top lights, leaded light stain glass windows, inglenook fireplace, a fine staircase, plate racks, beams and wall timbers. Whilst updating is required the fundamentals are very good, with pleasing room sizes and ample flexibility. The house extends to about 2,035 square feet, (plus the large loft space), has a lovely warm atmosphere and comes to the market for the first time in 50 years.

In our opinion this is a home of great potential and presents a rare buying opportunity.

## LOCATION & AMENITIES

The house occupies a particularly pleasant position in a well established residential locality. It is ideally located about 2.5 miles from the historic market town of Nantwich and 1.5 miles from Crewe railway station (London Euston about 90 minutes and Manchester about 40 minutes), junction 16 of the M6 motorway is 7 miles, making the property convenient to many areas including the North West, the Potteries and the Midlands. Manchester international airport is about a 45 minute drive. There is a post office, spar, nursery, veterinary practice and doctors surgery about half a mile distance of Wells Green. Primary education is available at Berkeley Academy, Church Lane and Danebank with Senior Schools and South Cheshire College.

## DIRECTIONS

From Nantwich, take the main Crewe Road, continue straight on at the Peacock roundabout, through Wells Green traffic lights,

and the property is located on the left hand side, just before the turning to Broughton Lane.

## ACCOMMODATION

With approximate measurements comprises:

### ENTRANCE PORCH

Quarry tiled floor, brass step.

### DINING HALL

18'3" plus bay x 14'2"

Leaded light, stained glass bay window, ceiling beams, wall timbers, plate rack, entrance door with stained glass top lights, walk in cloaks store with hanging fitting and shelving, two radiators.
