## LOCATION & AMENITIES

Rookery Close is perfectly situated just minutes away from the square in the centre of the historic market town of Nantwich. Nantwich is a quaint market town characterised by its intriguing winding streets, red brick properties and skyline dominated by the spires of the 14th Century St. Mary's Church, often recognised as one of the finest examples of medieval style in the United Kingdom. Nantwich is home to historic buildings and 94 acres of conservation area criss-cross the centre to create a range of lush green areas for residents to enjoy. The River Weaver lies immediately to the West of the house and is the base for activities including fishing competitions and meandering walkways along the banks to the North and South. The area is the perfect blend of a bustling town centre in the midst of Cheshire countryside.

Nantwich offers traditional local pubs and an array of tearooms between shopping in the quirky independent boutiques hidden down cobbled lanes and the well-known brands jostling for space in the High Street.

Nantwich is well connected by road and rail networks across the North West of England and beyond. The A51 and Nantwich Bypass provide swift access to the M6 North and South, while Chester and Stoke-on-Trent can be reached in about 30 minutes each by car.

The train station is just a few minutes walk away, where trains connect with Crewe in just 10 minutes, with further regular services to Manchester Piccadilly and Cardiff Central. Crewe provides a a intercity rail link to London Euston in about 90 minutes.

## DESCRIPTION

This semi detached townhouse style property is constructed of traditional brick under a tiled roof enjoying uPVC double glazing and soffits along with a gas fired central heating system. A more important factor is that Rookery Close is located off South Crofts being within immediate walking distance of Nantwich town centre/square. An internal inspection will reveal generally modernised accommodation where the kitchen has been improved and enjoys integrated appliances but would now benefit from some further decoration and improvements especially in the bathroom/ensuite areas. There is a blocked paved garden towards the rear and an extensive Indian stone area to the front and side which is walled and enjoys the afternoon and evening sun. The whole occupies tremendous potential to create a home of much merit.
