Arranged over four floors, this substantial and characterful home offers generous living space, multiple outdoor areas and flexible accommodation, all set on a quiet residential street moments from Finsbury Park and the Parkland Walk.

The upper floors offer three generously proportioned bedrooms. The second floor hosts two bright double rooms, both calm and airy, while the top floor reveals an impressive loft bedroom with skylights, excellent ceiling height and extensive eaves storage. This is your peaceful retreat tucked away from the rest of the house.

On the ground floor, a modern shower room is complemented by direct access to a private rear garden. Currently leafy and established, the garden offers scope for quiet outdoor enjoyment, gardening or storage, and provides a rare additional outdoor layer to the property. A flexible, light filled home offering space to live, work and retreat - ideal for professional sharers or families seeking room to breathe in a well connected North London location. Moray Road is perfectly placed for access to Finsbury Park Station (Victoria & Piccadilly lines, National Rail), with easy routes across London and beyond.
