Filling the reception room with natural light is a large arched sash window, complemented by magnolia painted walls and furnished with three sofas (one being a sofa bed), a light wooden coffee table and a sleek jet black TV unit. Adjoined to this room is the kitchen, where you can prepare countless feasts upon the speckled quartz worktops that top light oak cabinetry. You'll also find a wooden dinette with matching chairs for four; ideal for devouring lazy Sunday brunches of avocado toast, rushed cups of coffee in the morning and DIY taco extravaganzas with friends. On the same level is the first double bedroom, hosting a double divan bed, wooden chest of drawers and an inbuilt wardrobe. Two pairs of double glazed windows have been fitted in the master bedroom upstairs, alongside royal blue carpeting, sky blue painted walls and pretty floral curtains. Another inbuilt wardrobe features here, accompanied by a double divan bed, contemporary white desk, wall-mounted shelves, bedside table, bookcase and padded white desk chair. In the bathroom next door, you'll find a gorgeous wood-framed skylight offering endless opportunities for stargazing whilst relaxing in the full-sized bathtub. Another skylight features in the attic room, currently being used as a bedroom, but could easily be transformed into a home office, personal art studio and/or reading den.
