Once inside your striking gloss black front door, you are welcomed via the hallway leading towards the heart of the home. Your L shaped kitchen is complete with contemporary appliances, a wealth of white cabinetry and granite effect worktops.

The nice sized reception room sits to your left, with a semi open-plan feel once the double doors are opened up offering even more light and space. Laminate wood flooring complements fresh white walls, with room for both lounge and dining furniture and handy storage shelves. Between the living areas, a convenient separate sink and WC room can also be found on the ground floor.

Your two bedroom home resides across two floors, with the bedrooms beckoning from beyond the curving white wood, carpeted staircase. Plentiful windows adorn the primary bedroom, casting natural light across cosy carpeting and muted walls. Sumptuous soft brown curtains open up to reveal access to a wrought iron Juliette balcony, ideal for raising a cup of coffee to treetop views. The second bedroom sits towards the rear of the property.
