In owners' words:  
Having lived here for the past 11 years, we love the abundance of natural light, high ceilings and the practical layout with open plan kitchen and living room, 2 bathrooms and 2 double bedrooms. We enjoy the quietness of the flat, but also the great transport network with both Victoria and Northern Lines making it ideal to get into Central London - to Oxford Circus within 20 mins door to door. As well as the benefits of having Clapham, Battersea, Brixton and Vauxhall all within a short walking distance and all amenities on our doorstep.  
The flat has a low service charge, which is rare to find, and very low bills. We love the fact its a small block with only 9 flats, giving a real feeling of community, which is rare to find in such a central location.
