This handsome brick and pantile cottage with dormer windows sits in the heart of the Conservation Area of the village, within strolling distance of amenities. It has been comprehensively updated - including a new gas boiler fitted in 2023 – beautifully decorated and offers a range of traditional and bespoke storage options on both floors.

A welcoming hall with a fitted cloaks and storage cupboard leads to the inner hall and a stylish, contemporary kitchen. This double-aspect space features underfloor heating beneath a tiled floor, integrated appliances, and granite worksurfaces. Opposite lies a beautifully fitted utility and laundry room. The original section of the house now forms the dining room, which extends some 24 ft and showcases a substantial fireplace with a log-burning stove set within a brick surround, flanked by original fitted cupboards.

A cleverly designated study area links the dining room to the modern extension: a stunning, double-height living space flooded with natural light from two skylights and bifold doors opening south onto the garden terrace. Oak flooring runs throughout, and a wood-burning stove set into a brick fireplace adds warmth and character. A downstairs wc includes a shower with a rainfall fitting.

The first-floor accommodation occupies the original part of the house. The principal bedroom suite is double-aspect and includes a walk-in wardrobe and an en-suite bathroom with ample storage. To the east of the staircase hall, Bedroom 2 features wall-to-wall fitted wardrobes, providing generous storage, a TV point and a well-proportioned layout with views up and down the village street.

Outside

Lilac Cottage is set back from the village road, discreetly screened by a mature hedge lined with lavender, opening onto a wide gravel garden (laid 2024) framed by a charming garden gate. Additional gates lead to the block-paved and gravel driveway, providing off-street parking for up to four vehicles. The detached brick-and-pantile garage is double-height with boarded storage above, and a wood and bin store is neatly concealed at its far side.

The rear garden is private, fully enclosed and dog-secure with some new fencing installed. Well-established hedges border the sides, while a stand of mature conifers at the rear (yew and spruce) provides evergreen screening. The lawn is complemented by clipped evergreen shrubs, fruit trees (apple, pear, and plum) and a curved border of colourful perennials. Adjacent to the house, a paved terrace sits alongside a pergola, creating outdoor seating options. Additional features include a timber shed with power and lighting, a brick outbuilding, a summerhouse and a 'Juliana' orangery/greenhouse with a tiled floor, also fitted with power and lighting. The property is further enhanced by external lighting and an outdoor tap.
