All The Ingredients Needed For A Fabulous Lifestyle

A convenient location and a position on one of St. Albans' sought-after roads make this chain-free, three-bedroom, bay-fronted, detached property a required family home. The property requires some modernisation and has the added benefit of potentially extending (stpp), enabling the prospective buyer to create a substantial family home. Internally, the property features an entrance hall which leads to the dining room, a separate living room with a patio door opening to the rear garden, and a kitchen. The landing leads the way up to the three bedrooms and the bathroom with a separate WC. Externally, a beautifully mature and secluded rear garden complements the property perfectly, whilst, to the front, mature hedging and wall secure privacy from the road—the property further benefits from off-street parking and a garage. Marshalswick Lane is a popular address for families, professionals and commuters alike. It is within the catchment of excellent schools, close to good local amenities, and in easy reach of St. Albans city centre and the mainline railway station. St Albans is a historic city located in Hertfordshire, England. It is known for its rich history, dating back to Roman times when it was known as Verulamium. The city has a vibrant cultural scene, with various art galleries, theatres, and music venues. St Albans hosts annual events and festivals, including the St Albans Festival and the Christmas Market, which attract visitors from near and far.
