# All The Ingredients Needed For A Fabulous Lifestyle

PLOT 1 – Custom Build Opportunity!

Construction is underway on just two stunning new homes, with completion scheduled for Summer 2026. One has already sold — only one remaining!

This exceptional property will provide over 2,300 sq ft of internal accommodation and occupies a generous 0.4-acre plot. Externally, it will feature a large driveway, garage, and landscaped gardens, blending practicality with elegance.

Nestled in the beautiful Bedfordshire countryside, the location offers the best of both worlds: countryside living with fantastic commuter links — just 0.34 miles from Harlington Station (Thameslink to London) and 1.2 miles from Junction 12 of the M1.

As a custom build home, you'll purchase the land and enter into a JCT build contract with the developer, giving you the freedom to complete the property to your own specification, taste, and lifestyle.

- Land cost: £400,000  
 - Estimated build cost: £550,000
