# All The Ingredients Needed For A Fabulous Lifestyle

Set within the heart of Bernards Heath, in a popular central conservation area is this 2154 sq ft, five bedroom, Victorian, mid terrace home. A superbly appointed property which has been the subject of much improvement by the current owners, who have managed to mix a blend of modern living with fine character features, and a design creating an excellent sense of space, conducive to family life. At the 'hub' of the home is the fabulous open plan kitchen/dining/family room where the family can come together in a casual/relaxed atmosphere, whilst bi-folding doors open to bring the outside in. A separate lounge, with feature open fireplace, makes for a cosy and comfortable room. Four of the five bedrooms are situated on the first floor and are served by the stylish family bathroom, whilst the fifth bedroom is located on the second floor with a shower room. A professionally landscaped, courtyard style rear garden complements the property beautifully, and a block paved driveway provides off road parking to the front.

Total area: approx. 200.2 sq. metres (2154.7 sq. feet)
