All The Ingredients Needed For A Fabulous Lifestyle

A charming 1930's semi detached home which has been carefully designed to create a light filled home with lovely living spaces and versatile accommodation, and has been beautifully enhanced throughout by the current owner. Working fireplaces in the lounge and dining area lend a warm ambience whilst the modern fitted kitchen/dining room with bi-folding doors, leading to the conservatory, allows open plan or separate living. On the first floor, a bright landing leads the way to three bedrooms and a modern family bathroom. Outside to the rear, is a south west facing, well tended mature garden which gives access to the double garage and off road parking to the rear of the property. The property further benefits from the potential to extend (stpp) creating even more space for the ever growing needs of the modern family. The property is also within the catchment area for outstanding local primary and secondary schools.
