HANSELL GARDENS

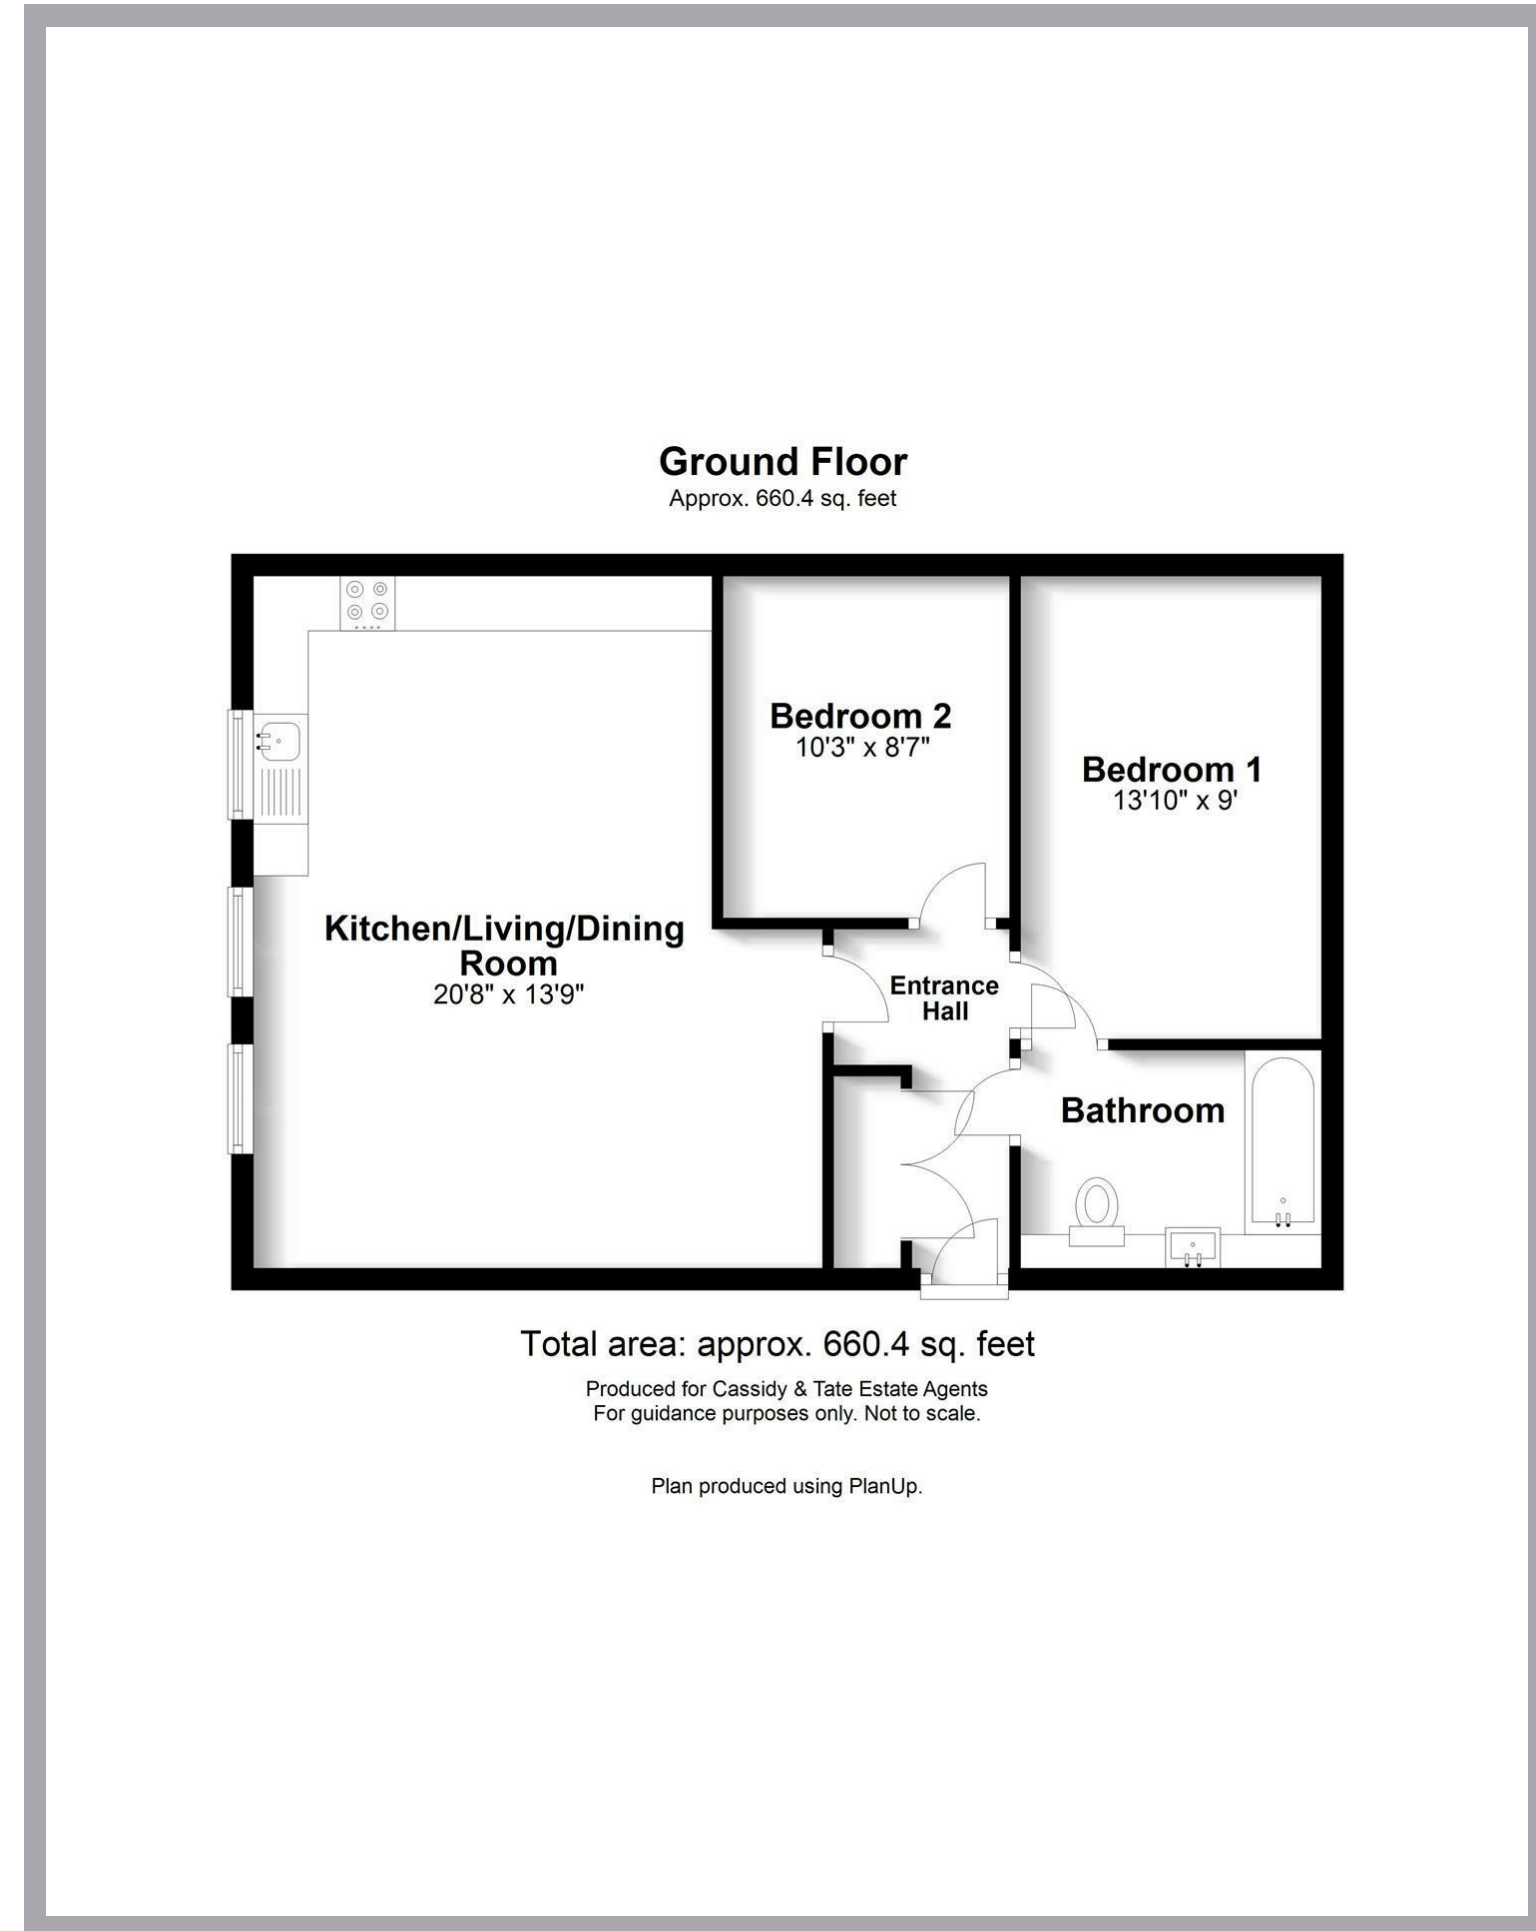

ST. ALBANS

All The Ingredients Needed For A Fabulous Lifestyle

A stunning two double bedroom ground floor apartment in this select development. Hansell House is a refurbished Grade Two listed building which was once part of the Nicholson & Co garment factory dating back to beginning of the 20th Century. The light and stylish accommodation includes a feature open plan kitchen/living area with a vaulted ceiling and Velux windows with scope to add a mezzanine level. There are two double bedrooms with an interconnecting luxury bathroom. Outside, there is a secure allocated parking space and ample provisions for bicycles. The building design retains its decorative Dutch gables and elaborate terracotta detailing. In addition two courtyards have been incorporated as spacious communal areas into the design with glass roofs filling them with light. The courtyards feature the original trusses and the north-lights of the listed building. The development is well positioned for the local shops including Morrisons supermarket and is within a 15 minute walk of the mainline station.
