All The Ingredients Needed For A Fabulous Lifestyle

**** Chain Free **** Retaining the aesthetic appearance of a traditional 1930s property, a sympathetic and complete refurbishment, combined with a thoughtfully designed extension to the rear and loft, has created a spacious and delightful four bedroom family home arranged over three floors. The property is complemented perfectly by a tasteful décor and quality finishing touches. The modern fully-equipped open plan kitchen with dining area takes precedence on the ground floor, creating a lovely atmosphere to entertain and enjoy views over the private and enclosed rear garden from the Bi-Fold doors. A lounge to the front of the property allows for separate living. Also to the ground floor is a useful utility room and a cloakroom. To the first floor is the master bedroom with en-suite, bedroom two and the modern family bathroom. Bedrooms three & four are situated on the second floor. The property further benefits from off road parking to the front and a detached garage. Subject to obtaining the relevant planning consents has the potential to extend further. The property accommodates all of todays modern family needs including being within the catchment of highly acclaimed schools and in close proximity of the city centre.
