All The Ingredients Needed For A Fabulous Lifestyle

A three bedroom property that not only enjoys a great location, but also boasts a large west facing rear garden plus the excellent opportunity to improve and enlarge, subject to obtaining the relevant planning consents. The property is in need of modernisation but does benefit from well proportioned living accommodation. On the ground floor is an entrance hall, dining room to front aspect, lounge with feature fireplace, double doors into the conservatory and a kitchen. Upstairs are two double bedrooms, a good sized third bedroom and a family sized bathroom. A particular feature of this property is the enclosed rear garden which measures approximately 100ft in length. It is mainly laid to lawn with a patio area and has a useful large brick built store shed/workshop. To the front of the property is a block paved driveway providing off road parking for several cars and gated side access. Woodland Drive is a popular address for families looking to get their children into good local schools that are within walking distance. The property is also close to excellent local amenities, the mainline railway station linking St. Albans to St. Pancras, London and the city centre itself remains only a short distance away.
