All The Ingredients Needed For A Fabulous Lifestyle

An outstanding turnkey investment opportunity located in the desirable village of Sandridge, St. Albans. This substantial semi-detached property on Hopkins Crescent has been professionally converted into four fully refurbished self-contained apartments, offering an immediate income-producing asset ideal for both seasoned and first-time investors. Extending to approximately 1,239 sq ft, the property has undergone comprehensive refurbishment throughout, creating four modern, well-designed apartments finished to a high standard. Each unit is fully self-contained, providing attractive and low-maintenance accommodation that is highly desirable in the local rental market. The property is being sold with tenants already in situ, providing instant rental income from day one and eliminating costly void periods. This makes the property a ready-made addition to an investment portfolio, with strong ongoing demand for accommodation in the St. Albans area. Externally, the property benefits from communal gardens, adding further appeal for tenants and supporting long-term rental stability. Ideally positioned close to Sandridge High Street, residents enjoy convenient access to local shops, cafés, and amenities, while St. Albans city centre and mainline station remain within easy reach, ensuring continued strong rental demand. The property is offered chain free, allowing for a smooth and straightforward acquisition. In addition, there is potential to further extend the property (subject to the necessary planning permissions), presenting an opportunity to enhance both the accommodation and the overall investment yield.
