All The Ingredients Needed For A Fabulous Lifestyle

Situated within close proximity of Hitchin town centre is this two bedroom, semi detached property that has been fully refurbished throughout. A deceptively spacious family home that provides bright living spaces with a practical floorplan. To the front of the property is a 14ft lounge and to the rear of the property is a separate well proportioned dining room which overlooks the rear garden as you dine. Also to the ground floor is a fitted kitchen incorporating a breakfast bar and a useful utility room. On the first floor are two double bedrooms plus a good sized family bathroom. Further benefits include a low maintenance garden to the rear and to the front is a small shingled area and a hardstanding area providing off road parking. Hitchin is known as an historic market town. It has been in existence for at least 1200 years and has had a market for more than 1,000 years. Today it is part commuter town, 35 minutes from London Kings Cross, part market centre for surrounding villages and towns, and just a lovely place to live.

Cassidy & Tate have taken all reasonable steps to ensure the accuracy of the details supplied in our marketing material however, details are provided as a guide only and we advise prospective purchasers to confirm details upon inspection of the property. Cassidy & Tate will not be held liable for any costs which are incurred as a result of discrepancies.
