All The Ingredients Needed For A Fabulous Lifestyle

Positioned in an enviable location, approximately one quarter of a mile from the mainline railway station, and within the catchment of good primary schools, is this four bedroom, 1930's semi detached house. The current owners have transformed this property, and created a family home that perfectly fuses some period features with contemporary additions, plus a well thought out floorplan that lends itself to accommodate the growing family. To the rear of the property is a superb, modern fitted kitchen/dining room which flows beautifully into the family room. A separate lounge to the front of the property, allows for comfortable and separate living. On the first floor are three bedrooms all served by the stylish family bathroom. The master bedroom complete with en-suite is situated on the second floor. Approximately 85 ft long attractive low maintenance rear garden further enhances this property, whilst a block paved driveway, to the front of the property, provides off street parking.

Cassidy & Tate have taken all reasonable steps to ensure the accuracy of the details supplied in our marketing material however, details are provided as a guide only and we advise prospective purchasers to confirm details upon inspection of the property.
