All The Ingredients Needed For A Fabulous Lifestyle

Positioned in the sought after village of Leverstock Green, this impressive four bedroom detached family home enjoys a wonderful setting with beautiful open countryside virtually on the doorstep, while offering generous and versatile accommodation ideally suited to modern family life. The property is presented in lovely condition throughout and provides an excellent balance of living and bedroom space. Two separate reception rooms offer flexibility for both family life and entertaining, while the heart of the home is the impressive open plan kitchen/living/dining room, creating a superb sociable space for everyday living. Upstairs, there are four well proportioned bedrooms complemented by two bathrooms. One of the home's most impressive and particularly rare features is the substantial detached double garage. Offering excellent secure parking together with additional driveway parking, this is a fantastic asset and something increasingly difficult to find. Beyond its obvious appeal to car enthusiasts or those requiring extensive storage, the garage also offers exciting potential for conversion into a home office, studio, gym or even separate annexe accommodation, subject to the necessary planning permissions. The rear garden has been completely transformed to create a stylish, contemporary landscaped setting designed with low maintenance living in mind. Thoughtfully arranged to provide an attractive extension of the living space, it offers an excellent environment for outdoor dining, entertaining and relaxing, without the upkeep associated with a more traditional garden. The setting further enhances the appeal, with beautiful open countryside close at hand providing the opportunity to enjoy rural walks and open green spaces virtually from your doorstep, while still benefiting from the convenience and community of village life.

Main area: Approx. 129.2 sq. metres (1390.6 sq. feet)
 Plus double garage, approx. 37.7 sq. metres (405.5 sq. feet)
