

All The Ingredients Needed For A Fabulous Lifestyle

Some homes are simply places to live. Silverwood Barns is something altogether different. Set within an exclusive gated enclave of just five detached homes on St Albans Road in the beloved village of Sandridge, this remarkable five-bedroom residence has been designed around the way people truly want to live — beautifully, sustainably, and without compromise. A grand vaulted hallway welcomes you in, where natural light and considered materials set the tone. Three versatile reception rooms offer space for family life in all its forms, while the stunning open-plan kitchen, dining and living area draws people together — bi-fold doors open onto landscaped gardens that feel like a natural extension of the home. Upstairs, five generous bedrooms and four beautifully finished bathrooms provide genuine comfort and privacy. The top-floor principal suite is a retreat within a retreat — serene and spacious, with its own dressing area and en-suite. Step outside and the gardens reveal something truly rare: a complete private wellness sanctuary. An outdoor endless swim-jet fitness pool offers year-round training, while a dedicated outdoor gym, sauna and ice bath deliver everything needed for serious fitness and proper recovery — all just steps from the back door.
