All The Ingredients Needed For A Fabulous Lifestyle

Located in the historic heart of St Albans within the conservation area this first floor apartment offers spacious modern accommodation and has the added benefit of a parking space. There are pleasant rooftop views across to the Abbey. This favoured location is minutes walk from all of the amenities including shops, restaurants and the station. The building was originally built in 1763 as a hospital. More recently it has been a hat factory and prior to the buildings conversion into apartments in 2014 was a Nationwide Building Society regional office. The accommodation is of generous proportions with rooms coming off the hallway, a sitting room which leads through to the fully integrated kitchen breakfast room. There are two double bedrooms with the main one having an en suite shower room. There is also a further separate bathroom. The apartment is double glazed throughout.
