All The Ingredients Needed For A Fabulous Lifestyle

Location, convenience and generous living accommodation are key factors when considering this lovely four bedroom property which has been thoughtfully extended to the rear, providing contemporary living spaces conducive to modern day busy family lifestyles. Taking precedence on the ground floor is the fabulous open plan kitchen/dining/family room where the family can gather together within a casual atmosphere or the perfect setting whilst entertaining, all overlooking a lovely garden. The kitchen area is fitted with shaker style units and incorporates a breakfast bar/island. The dining area is bathed in natural light from the two sets of patio doors which open to the rear garden and the family area is a cosy and comfortable space. A door separates the family area and a further well proportioned lounge allowing for private time. Also to the ground floor is a cloakroom and a useful integral door from the kitchen leads to the garage. On the first floor the master bedroom enjoys an en-suite shower room whilst a good sized family bathroom services the remaining bedrooms. Two useful and generous sized loft rooms are situated on the second floor. A beautiful rear garden mostly laid to lawn with large front and rear patio areas. To the front of the property is a driveway providing off road parking which in turn leads to the garage.
