TEMPERANCE STREET

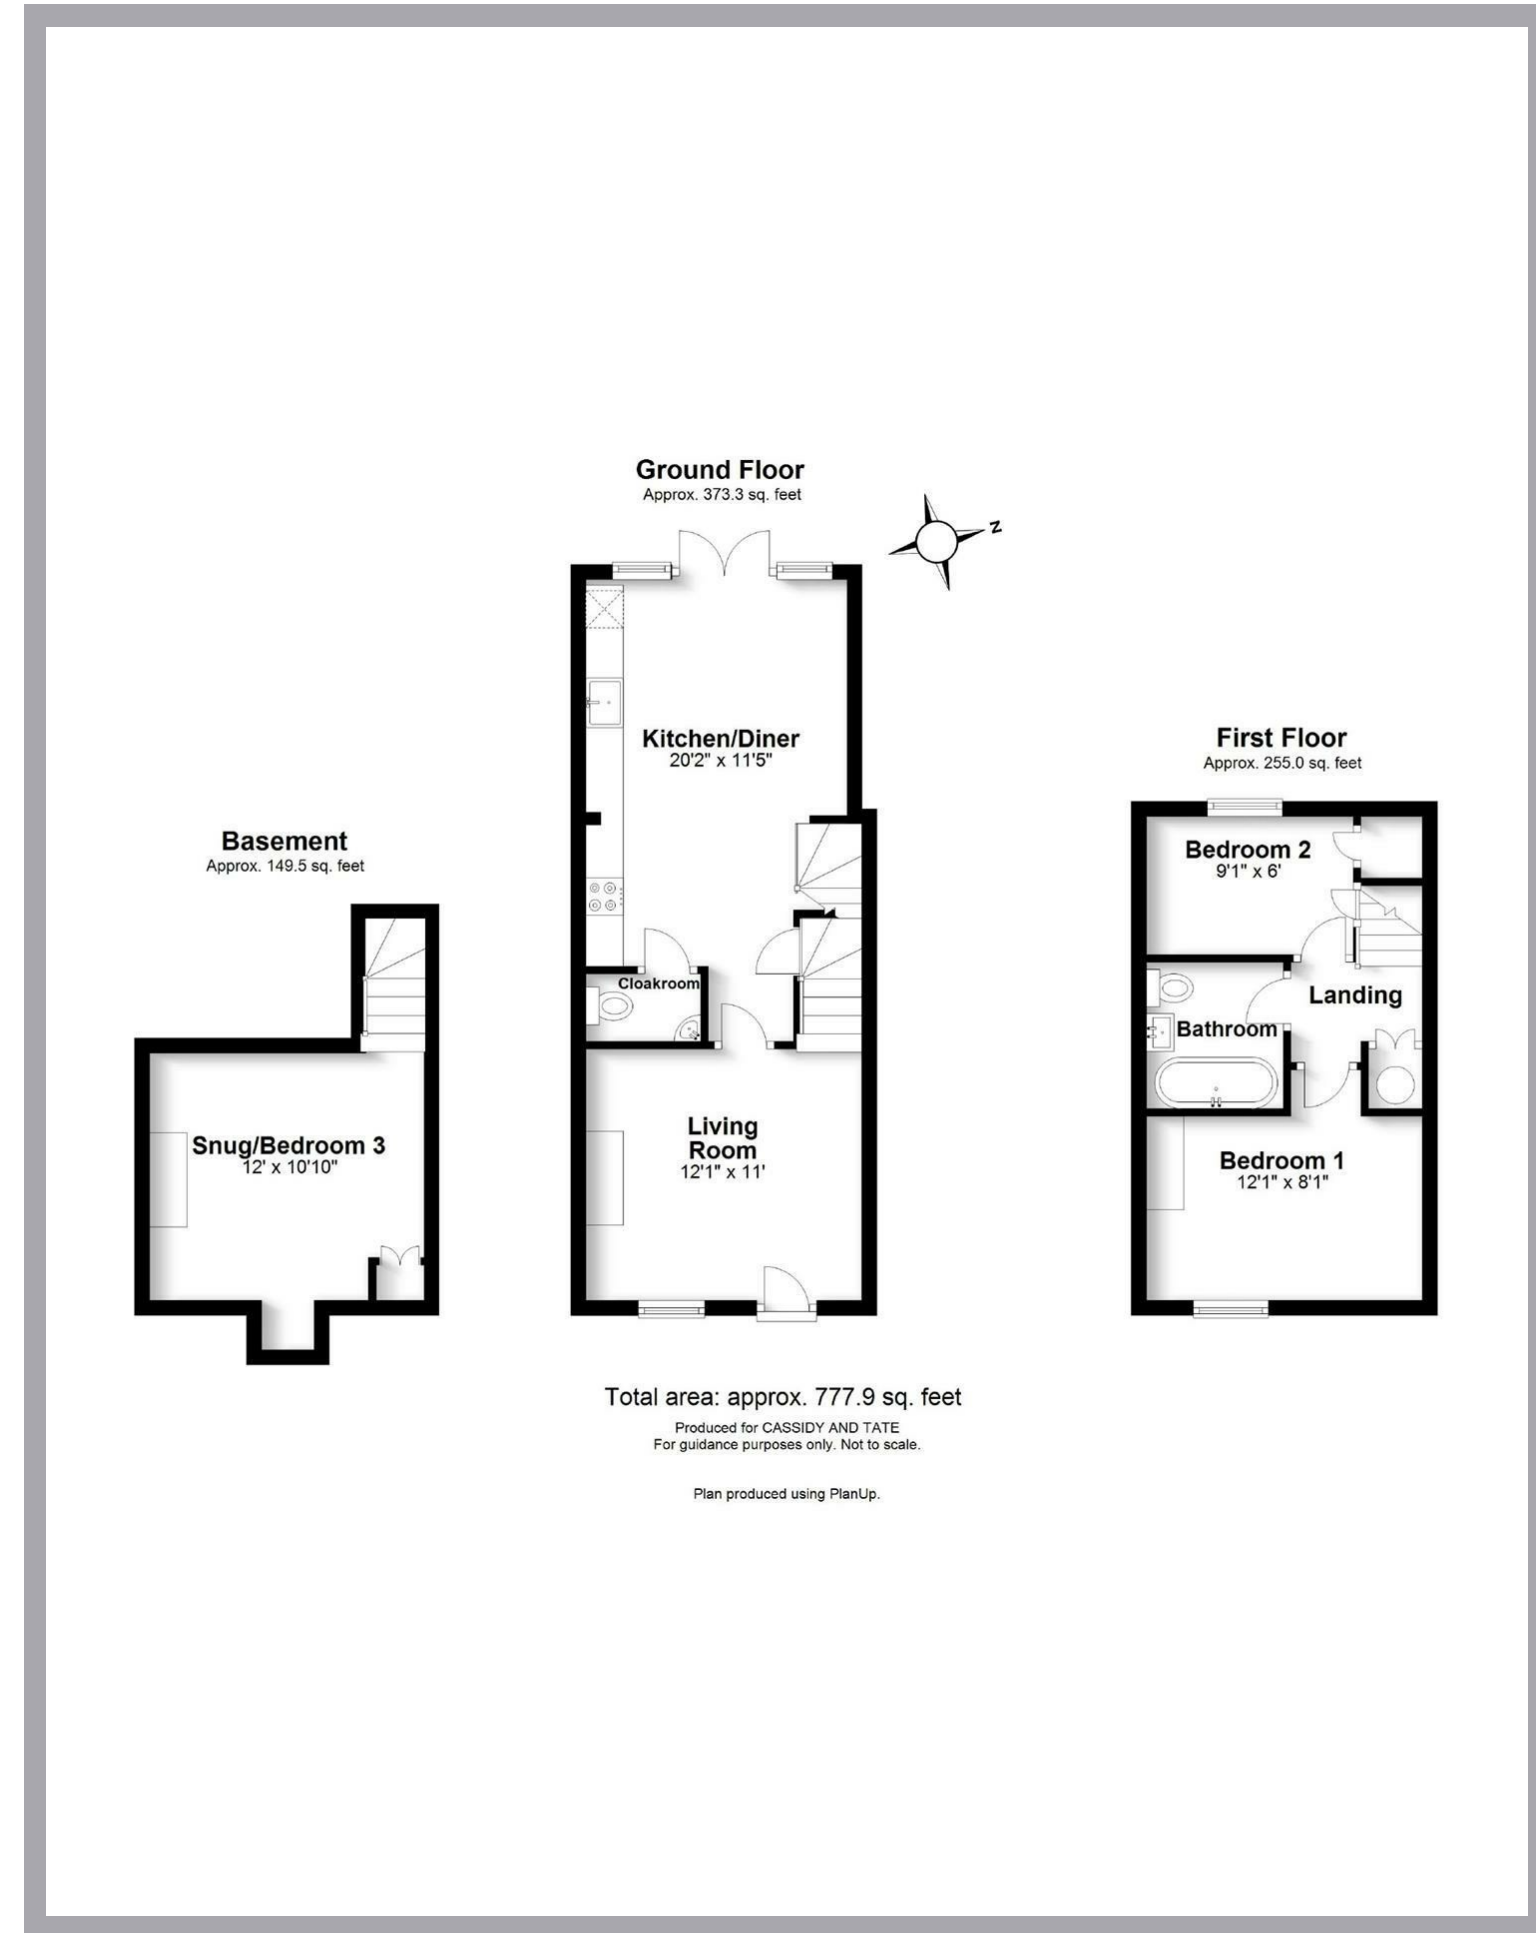

ST ALBANS

All The Ingredients Needed For A Fabulous Lifestyle

Positioned in the heart of the old conservation area of St. Albans and set amongst similar period houses this two bedroom character home proves to be popular with professionals and commuters alike. The property has been sympathetically improved where character features and modern finishing touches fuse perfectly creating a comfortable and practical family home. Living accommodation is spread over three floors incorporating a basement where good head height allows for this space to be used as a further reception room, home office or a third bedroom. On the ground floor is a well proportioned lounge, a 20ft kitchen/diner and a cloakroom. Two double bedrooms and a luxury bathroom can be found on the first floor. Beautifully presented with character features such as sash style windows, Karndean parquet effect flooring and feature fireplaces all lend a cosy feel. The kitchen/dining room benefits from lots of natural daylight from ceiling skylights and French doors that open to the outside. The kitchen area has been fitted with shaker style units complemented by contrasting worktop surfaces, butler sink and integrated appliances. Outside the property benefits from a private enclosed and low maintenance rear garden. Temperance Street is located close to the city centre, St Albans Cathedral and within easy access of the mainline station into central London. Open leisure facilities such as the 'Old Brickie' park are just round the corner and the beautiful open spaces of Verulamium Park and Lakes are within easy reach.
