All The Ingredients Needed For A Fabulous Lifestyle

Cassidy & Tate are delighted to present to the market for sale a lovely three bedroom Victorian property which is situated in a prime location, a short walk to St. Alban's city centre. An extension to the ground floor affords a particularly well thought out design where living accommodation is both functional and versatile. From the entrance hall is a living room, family room, and a fitted shaker style kitchen with step down to the dining room. Both the family room and dining room have patio doors that open and lead to the lovely rear garden. On the first floor are two double bedrooms and a good sized third bedroom, plus the family bathroom. Characteristics such as high ceilings and a box bay window in the lounge allows for natural light and an airy feel, whilst feature fireplace in the lounge and family room lends a cosy atmosphere. The current owners have managed to blend a wealth of charm such as sash style windows, picture rails and wood flooring with modern day touches and a colourful decor. A particular feature of this property is the length of the south facing rear garden and a cellar in the basement which allows for the potential to further extend/develop, subject to obtaining the relevant planning consents. St. Albans city centre is a vibrant city with its twice weekly market and extensive shopping and leisure activities. The mainline railway station is close by with trains direct into St Pancras International, as are highly regarded schools and Verulamium park.
