All The Ingredients Needed For A Fabulous Lifestyle

Forming part of a select development centrally locate in the charming city of St Albans, this individual three bedroom new build townhouse offers a perfect blend of modern living and convenience with an abundance of natural light flooding this beautiful home. The well appointed accommodation on three floors is designed with contemporary fixtures and finishes and includes a stunning main living/kitchen with vaulted, arched ceiling and feature porthole window. On the first floor, there are two bedrooms and a stylish bathroom with direct access to a courtyard garden. The main bedroom boasts both en suite and dressing area and an outside area. The high specification is evident throughout, featuring Schmid kitchens equipped with Neff appliances and elegant Quartz surfaces, perfect for those who enjoy cooking and entertaining. The engineered wood flooring adds a touch of sophistication, creating a warm and inviting atmosphere throughout the home. Additionally, the property includes allocated parking for one vehicle with an electric charger, a valuable feature in this bustling area, and a communal garden area. Situated just a short stroll to the city centre and the Cathedral , residents will benefit from easy access to the mainline station, making commuting a breeze. This property is not just a house; it is a landmark conversion that combines modern amenities with the appeal of St Albans.
