OAK TREE GARDENS
ST. ALBANS
ALI 3DE

Guide Price £1,420,000

All The Ingredients Needed For A Fabulous Lifestyle

Oak Tree Gardens is a collection of just ten townhomes in the heart of the city centre, behind electric gates and within walking distance of many varied amenities. These townhomes are suitable for families or downsizers looking for city living convenience. Constructed in a complementary style around the former landmark Victorian Museum of St Albans, the properties offer contemporary living and entertaining spaces, with 1,866 sq ft of accommodation spread over three floors. The owner has recently upgraded this larger, four-bedroom version to create a bright, serene interior. Underfloor heating is on all levels. A particular feature is the air-conditioned principal bedroom suite with a dressing room on the top floor, a vaulted ceiling, and a fully glazed gable end that opens onto an outdoor terrace. The ground floor boasts a beautiful state-of-the-art kitchen with an island opening onto a private courtyard garden, perfect for al fresco dining. The property has four double bedrooms, two en-suites, a family bathroom, and an elegant drawing room on the top two floors, with an eat-in kitchen, utility room, cloakroom, and study on the entrance level. There is a parking space to the front. St Albans City Station, just a few minutes' walk away, provides fast access to London, with a journey time of as little as 22 minutes to London St Pancras International. The nearby city centre offers a mix of speciality boutiques, independent retailers, major stores, international brands, a host of local eateries, individual restaurants and a weekly market. The Cathedral and its grounds near the renowned Verulamium Park are a short walk away. The balance of an LABC building warranty still applies for further peace of mind.
