

All The Ingredients Needed For A Fabulous Lifestyle

Positioned in a peaceful cul-de-sac location just off Watford Road is this five bedroom, detached family home with off road parking, and a garage. The property has been well maintained but requires some internal modernisation, and has the potential to enlarge, with the added benefit of planning permission (5/2021/3636) for a rear extension to create a 29' x 13' kitchen/dining/family room. Arranged over three floors, living accommodation flows and connects beautifully, giving plenty of space and flexibility for the growing family. Downstairs is an entrance hall, cloakroom, living room with box bay window and connecting double doors to the dining room, which in turn leads to the light filled conservatory, overlooking the well maintained and secluded rear garden. On the first floor are three double bedrooms, one of which boasts an en-suite, a further good sized bedroom and the family bathroom. The second floor accommodates a fifth bedroom and plenty of eaves storage space, with further scope to create a sixth bedroom subject to the necessary consents. The rear garden is mainly laid to lawn with patio area and a selection of mature shrubs and plants. A block paved driveway provides off road for 3/4 vehicles. Forge End is conveniently located within the popular Chiswell Green area of St Albans, close to the highly regarded Killigrew School. This property provides excellent access to the motorway link roads and the main city centre is only a short drive away with its wide range of shopping and leisure facilities. * Approved plans for the extension within the brochure*
