All The Ingredients Needed For A Fabulous Lifestyle

Positioned in an enviable location, approximately one quarter of a mile from the mainline railway station, and within the catchment of good primary schools, is this three bedroom, 1930's semi detached house. This unextended family home offers tremendous scope to extend to the back and into the loft as has been done by neighbouring properties, subject to planning being obtained. The current accommodation has a bright hallway leading to two reception rooms of good proportions. Upstairs there are two double bedrooms as well as a generous single room and family bathroom. Outside there is a long rear garden with a workshop/shed to the back. To the front there is block paved parking and side access.
